To Whom it May  
Concern:

All too often, most letters received by companies such as yours, who do services for others, are letters of complaint. However, in this instance this must be a letter of thanks and to compliment your firm for doing such a professional job of cleaning our ceiling.

The ceiling in our cafeteria had not been cleaned for over 25 years. It was water stained, smoke stained, and of course, grease stained. Your crew came in on a Saturday, did its cleaning and on Monday, when we came in, it looked like a brand new ceiling.

Thanks again for a very professional service.

Sincerely,

Roderick C. Olson, Supervisor  
Personnel Administration
